

Over 700 scientists, mainly Chinese but with a very significant international presence, attended the 6th Galileo-Xu Guangqi Meeting (GX6), held from April 19-24, 2024 in Hengyang, China, in conjunction with the 2024 Annual Meeting of the Division of Gravitation and Relativistic Astrophysics of the Chinese Physical Society. The meetings were jointly organized by the Chinese Physical Society and ICRANet. for the Meetings' website: http://meeting2024.usc.edu.cn/english/Meeting_english/conferences/gr24/index.php. We send you the group photo of the meeting, showing the ICRANet participants and, in the middle, Prof. Remo Ruffini (Director of ICRANet): <https://www.icranet.org/gx6/photogx6.jpg>.

On the occasion of the GX6 meeting, a dinner was offered in honor of Prof. Ruffini by the Mayor of Hengyang (a city with 9 millions of inhabitants and 20 Universities) Mr Zhu Jian. Presents at the dinner were also the Secretary Liu Yue-Gao and 3 members of the Chinese Academy of Sciences: Rong-Gen Cai, Wu Yue-Liang and Ouyang Zhong-Can and Prof. Wenbin Lin, local organizer of the GX6 meeting. On the basis of the cooperation between the Chinese Academy of Sciences and the Academy of Sciences of Belarus, Prof. Mikalai Prakapenia presented, in an invited plenary session, a work carried out in cooperation with ICRANet.

The volume "*ICRANet-Isfahan Astronomy meeting: from ancient Persian astronomy to recent developments in theoretical and experimental Physics, Astrophysics and General Relativity*", published in England by Cambridge Scientific Publisher, will be presented in an official ceremony at the 35th Tehran International Book Fair (TIBF), which will take place from May 18-28, 2024, with an online presentation by Prof. Remo Ruffini and Prof. Yousef Sobouti (IASBS President).

ICRANet is organizing the 17th Marcel Grossmann Meetings on Recent Developments in Theoretical and Experimental General Relativity, Gravitation, and Relativistic Field Theories (MG17), which will be held from July 7 to 12, 2024 in Pescara (Italy), in collaboration with the Università degli studi Gabriele d'Annunzio di Chieti-Pescara (Ud'A).
